IIT (ISM) TEXMiN

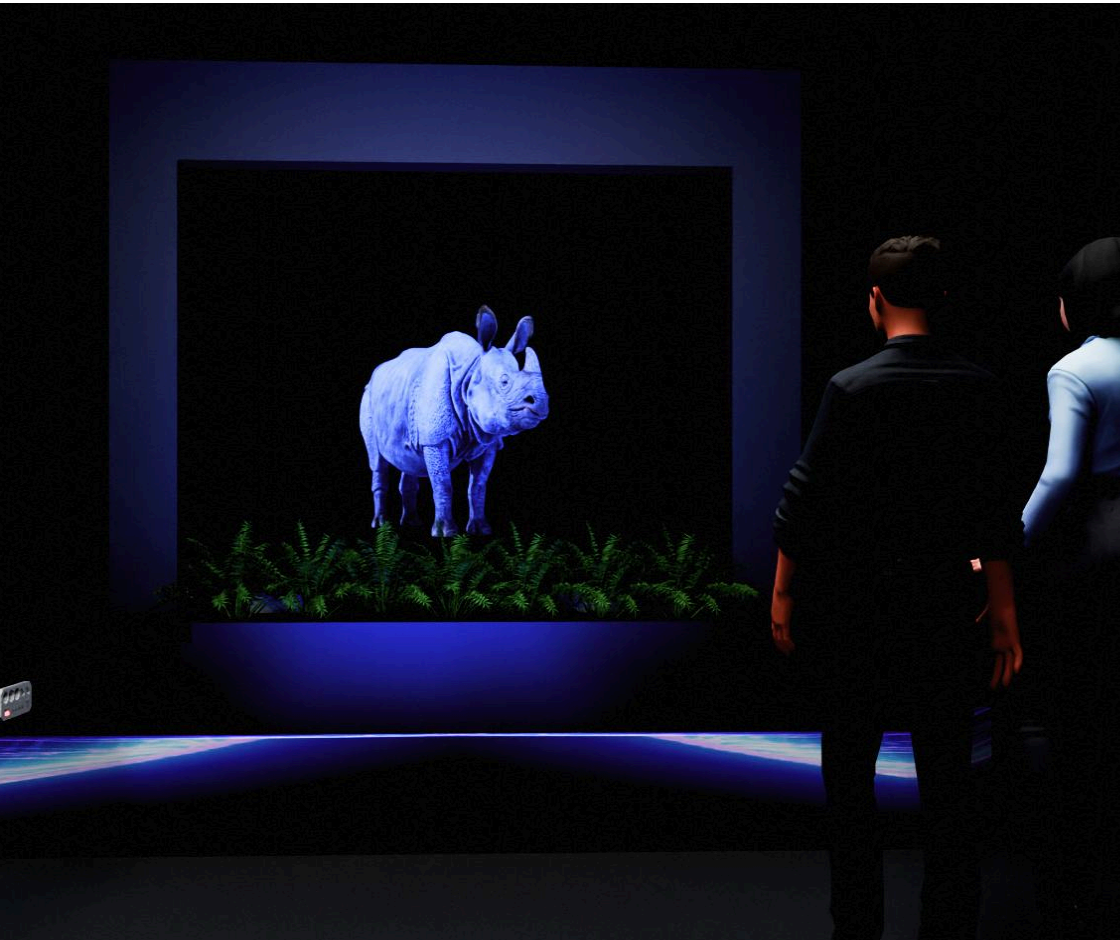

A HOLOGRAPHIC STORY OF WOMEN EMPOWERMENT AT G20

A holographic storytelling experience created for the G20 Summit in Goa, developed in collaboration with the Ministry of Health, Ministry of Culture, and NIFT, highlighting the role of culture, health, and education in advancing gender equality.

KAZIRANGA RHINO - A STORY OF SURVIVAL & CONSERVATION

A first-of-its-kind holographic journey where the iconic Rhino becomes the narrator - turning awareness into advocacy through emotionally charged immersive storytelling. We delivered emotions with our technologies.

AN IMMERSIVE DIGITAL JOURNEY INTO GIR'S WILDLIFE AND CULTURE DESCRIPTION

An interactive experience centre created for the Dhari Experience Centre, bringing the stories of Gir Forest to life through immersive projections, digital storytelling, and hands-on learning tools that inspire awareness of biodiversity, conservation, and regional heritage.

adani

IMMERSIVE LEARNING FOR A NEW INDUSTRIAL ERA

At the Adani Centre of Excellence, we brought VR simulations, holography, and phygital experiences together to redefine workforce training and prepare learners for the future of mining.

AMTRON

VISUALIZING PORT OPERATIONS THROUGH DIGITAL TWIN TECHNOLOGY

Port Immerse is a digital twin experience designed to visualize dynamic port activity on a holographic table, simulating ship arrivals, departures, and ITV vehicle movements to help stakeholders understand complex port operations in an intuitive way.

VISUALIZING MODERN WARFARE THROUGH HOLOGRAPHIC SIMULATION

A holographic war simulator designed to project 3D terrain and battlefield scenarios, enabling defense teams to analyze strategies, simulate tactical movements, and collaboratively plan operations in an interactive environment.

DIGITAL EXPERIENCES

Offering for Museums and Experience Centers

- **IMMERSIVE & INTERACTIVE**

Holograms and large-format interactive environments.

- **AI-DRIVEN EXPERIENCES**

Intelligent, adaptive discovery and storytelling.

- **NARRATIVE-LED DESIGN**

Digital journeys shaped by curatorial intent.
